

## Empowering Mob. Building Futures.

Kurbingui's Tailored Assistance Employment Grants (TAEG) Program, proudly funded by the National Indigenous Australians Agency (NIAA), supports Aboriginal and Torres Strait Islander peoples to gain meaningful and long-term employment. Through culturally safe, holistic support, the program helps job seekers overcome barriers to work by providing access to accredited training, mentoring, pre-employment preparation, and post-placement support.

Kurbingui offers training in qualifications such as Certificate III Business, Certificate III Construction, and Certificate III in Community Services. The TAEG Program is grounded in community values and focused on achieving sustainable outcomes for Indigenous job seekers in Brisbane and Moreton Bay.

### Our Mission

We believe in a tailored and client centred approach to assisting First Nation's people with up-skilling, accredited training and employment matching with reputable and culturally aware employers across the Greater North Brisbane Region.
